## The Company

Each member of our company is selected for their unique skills, strengths and commitment to the art of performing dance. Dancers dedicate nearly 20 hours of dance instruction each week, including participating on competitive dance teams at Dance Arts Centre. Our dancers learn as many as 15 pieces of choreography each season.

We hold auditions in the spring of each year to select members of the company and to choose lead performers and understudies. We aspire to enrich the community through our performance at public and private events.
